

## QUALITY POLICY STATEMENT

D H Welton & Co Limited will ensure that our Civil Engineering, Building and Surfacing Services meet our Client's expectations, our own high standards and comply with all relevant Legislation and Regulations.

Specific Quality Objectives will be set and reviewed through our Management Review Process. To help achieve these, we will maintain a quality system that meets BS EN ISO 9001 – Quality Management Systems – Requirements.

We must strive to continually improve our performance by regularly evaluating our services and identifying actions to ensure that our objectives are achieved and that problems are prevented.

Signed:   
M J Welton - Managing Director
